# Marshall United Methodist Preschool Application for Enrollment

## About Our Program

MUMPs is a state-approved preschool, offering a comprehensive program of education for children ages 3 and 4, in preparation for kindergarten.

We emphasize socialization through art, books, music and playtime. We also provide creative ways to introduce colors, letters, numbers and shapes into our daily activities.

The program operates Tuesday through Thursday from 9:00 AM to 1:00 PM between the months of September and May.

Our program is one of several outreach ministries of the Marshall United Methodist Church. Christian ideals are an important part of our day. We offer a weekly chapel time which is led by the pastor of our church.

All children are welcome regardless of race, gender or religious background.

Also, we invite you to attend our worship services and special activities. Please contact the preschool or the church office for more information.

Preschool should stimulate children to explore, create, question and relate well to others. We help them absorb information in a fun structured manner.

**Once you have enrolled your child all important paperwork will be sent to you. The non-refundable registration fee guarantees your child a spot at our preschool.**

**If you are interested in a tour of our facility, please call 540-364-4111 or stop by and speak with the director.**
